Dear New Patient,

Thank you for choosing North Atlanta Primary Care for your health care needs today. Please be assured that our main goal is the maintenance of your good health. Toward that goal, we are available to you with easy to obtain appointments with our Physicians and Physician Assistants. In order to serve you better, we offer early walk-in hours Monday through Friday from 7:30AM - 8:30AM at each of our locations. We do not require an appointment for our walk-in clinic; however these appointments are a first come first serve basis. Additionally, we offer acute sick walk-ins (i.e. sinus infection, sore throat, earache) every Saturday from 8:00 AM to 12:00 PM **ONLY** in the **Alpharetta** location.

We offer testing in-house including comprehensive lab tests, ABI, Bone Density testing, stress test, and X-rays for urgent and routine care.

Please visit our website at www.napc.md for further details about our Preventative Health Wellness Programs. If you have any questions about your health, please do not hesitate to contact us. We are available by phone at (770) 442-1911 or by email at info@napc.md. We hope you will take a few minutes to familiarize yourself with our new patient packet.

Thank you again for allowing us to participate in your healthcare and for choosing North Atlanta Primary Care

Proudly serving the community since 1988!

Sincerely,

Bob Nicholls
C.O.O.
